Bank First Oshkosh office celebrates one year anniversary

Bank First recently celebrated its one year anniversary of their downtown Oshkosh office. Over 300 friends, colleagues and customers kicked off the celebration with a reception hosted at The Waters.

At the event, guests were asked to select from one of three local community organizations in which Bank First would donate \$5.00. This resulted in over \$1,000 donated by Bank First to the Oshkosh Area Community Pantry, the Oshkosh Area Humane Society and the Winnebago County Literacy Council. “As a community-oriented bank, we understand the important role we play in Oshkosh and the surrounding areas,” stated Joan Woldt, regional president. “We see first-hand how our bank and employees contribute to the health and success of our community. Our experienced and highly-skilled bankers take pride in being responsive to our community needs, as well as to the individuals and businesses we serve.”

The office, located at 101 City Center in Oshkosh, has grown deposits to nearly \$40 million and loans to more than \$60 million in just a little over one year. “Our Oshkosh loan and deposit growth has exceeded our expectations,” said Mike Dempsey, Chief Operating Officer. “It’s clear we have developed an exceptional team of bankers who understand the Bank First brand and are able to tell our story. We are pleased to bring relationship-based banking that’s focused on providing innovative products and services that are value driven to the Oshkosh and surrounding areas.”
