FOR IMMEDIATE RELEASE – October 11, 2012

Bank First's Custer Street office to host Community Shred Day event on October 20

Bank First will be hosting a free Community Shred Day event on Saturday, October 20, at their Custer Street office, located at 2915 Custer Street in Manitowoc. The event will take place from 9:00 a.m. to 12:00 Noon.

Shredding your personal documents is one way to help protect yourself from identity theft, which is one of the fastest growing forms of consumer fraud. Properly disposing sensitive, but out of date documents like old tax returns, bank and credit card statements, medical records and other documents with personal information, is one way to help protect your identity.

While this shred event is free and open to the public, Bank First is requesting that participants bring a non-perishable food donation in exchange for each bag of personal documents shredded. All food donations will go to Peter's Pantry in Manitowoc.

A.R.M.S., Inc., a AAA-certified shredding company, will be providing mobile shredding units to destroy all personal and confidential documents. They are licensed and bonded document-destruction specialists and they guarantee the secure removal of the destroyed documents.

To ensure enough shredding space is available for the public, businesses are prohibited from participating in this event. The event will be held rain or shine. Participants are welcome to stay and watch the process, if they wish.
