FOR IMMEDIATE RELEASE

Bank First donates \$10,000 to the Manitowoc-Two Rivers YMCA

MANITOWOC, Wis, September 29, 2020 – Bank First (NASDAQ: [BFC](#)) is pleased to announce its support of the Manitowoc-Two Rivers YMCA by donating \$10,000 to the organization.

A longtime supporter of the YMCA, Bank First desired to make a concerted effort to give back to the organization during these challenging times by sponsoring membership dues for members from low to moderate-income households and by providing funding for various programs. Bank First encourages the community and YMCA members to keep memberships active, if financially possible. Membership dues help fund resources for youth development programs and vital services the YMCA provides to the community.

“The YMCA has been instrumental in serving our community for many years,” stated Mike Molepske, Chief Executive Officer at Bank First. “This year has been difficult for numerous individuals, families and organizations. With this donation, we are providing additional support and coming alongside a wonderful organization that strives to meet the needs of youth, adults, seniors, and families through its programs and services. At Bank First, we truly believe that we can transform lives and build stronger communities for future generations. We do this by working together as friends, neighbors and by joining forces to support organizations such as the Manitowoc-Two Rivers YMCA.”

Bank First presents a \$10,000 donation to the Manitowoc-Two Rivers YMCA. Representing the two organizations are (left to right): Mike Molepske, Julie Grossman, Dennis Tienor, Carole Witt-Starck, Christopher Stream, and Noelle Fieder.

Bank First is a relationship-based community bank, committed to building relationships and being active and involved in the communities it serves. Giving back through donations and supporting through volunteerism, has allowed the Bank and its staff to develop meaningful relationships with local families, businesses, and non-profit organizations.
